# Introduction

We are glad to inform you that SABOR CO as a well-known OEM White Private Label Specialist supplier in Disposable Tableware items is one of the main key Manufacturer and Exporter of Single use plastic & ECO-FRIENDLY PRODUCTS in the region.

Annually, 2800 tons of disposable plastic products, including microwave safe container, cutlery & sets, Clear hinged Deli... and 1500 tons of ECO-FRIENDLY products, including Pizza Box, Food Packing box, Take a way box, sweet box... with the First grade raw materials are produced in 4 factories of Sabor co and sent by our foreign offices to our valuable customers in 5 continents at the best special price.

Since we known as a specialized company to manufacture the "private label" products, permanent quality and Packing of products are our absolute responsibility and commitment to clients.

We take our clients' needs seriously and proudly adjust our sourcing, delivery and selection to suit your specific business needs.

We are looking forward to joint cooperation and the expansion of our close relationships as partners. Please let us know your specific requirements in order to give you formal offer.

Glad to invite you to have a quick look on our catalog:

We do our best to optimize your sustainable business performance

**SABOR CO**  
MAKE YOUR FOOD COMPLETE

The image shows a modern building facade with a large, dark grey sign. The sign features the SABOR CO logo, which consists of a stylized 'S' symbol followed by the company name in bold, white, sans-serif capital letters. Below the company name, the tagline 'MAKE YOUR FOOD COMPLETE' is written in a smaller, white, sans-serif font. The building has large glass windows and is set against a bright blue sky with scattered white clouds.

# Quality Control

We, in Sabor Company, believe that the first and the only way to success in disposable products is manufacturing high-quality products according to customers' needs. In Sabor managers' opinion, customers' satisfaction is the most important factor to reach pre-determined goals. For us, it is an obligation and necessity to enhance continuously our products' quality and safety (health). We believe this is not possible except to promote and improve the equipment as well as staffs' function. We are utilizing not only the most up-to-date and high-tech machinery in the production and packaging field but also the expert staffs who consistently are increasing their knowledge.

Furthermore, we are equipped with a rigid quality control system in all production procedures, from raw-material distributors to the loading and delivering products to customers, which is our standard approach to dispatch our product to our international customers all around the world.

We honor to state that we have reached this level of satisfaction from customers only by utilizing the rigid quality control system in addition to the comprehensive and continuous staffs' efforts.

We could proudly provide the best goods and services following global standards to international customers all around the world.

# R & D

In the current business and trading world, foresight and investment in the R&D department is one of the main factors of the persistent companies. We believe that the necessary condition of competition in today's market which is just possible by having a mighty and creative team in the research and development section.

The R&D team is one of the original, important, and active units in Sabor. Co., which continuously endeavor to detect new approaches for the production of more

qualitative products in accordance with customers' requirements using the recent and latest researches in the field of raw materials, designing dishes, machinery, etc.

Another positive point of Sabor. Co. R&D team is considering all customers' needs, requests, and suggestions, also trying to fulfill them or lead them to become practicable as much as possible.

# Private Label

Sabor Co welcome you to design your packaging based on your interest, order your needing weight & color and print your desired name, logo, address or anything else according to your need.

Make a confident division in your business through Sabor Co custom-designed packaging.

# Customer Care

Your time is precious to us, we welcome your feedback. In case of any questions, price inquiry, samples, or whatever you may need from us, our whole team is at your disposal 7/24.

We are always looking for new possibilities and new agreements with our valued clients, and hope to establish mutually beneficial business relationships with all customers.
